2021 MERCHANDISE NEWS

The 2021 season has brought us many new exciting apparel and equipment choices available in Dave O'Neal's Golf Shop.

Any and all the success I have enjoyed as a merchandiser over the years is a result of my basic merchandising philosophy. Simply put 1. We Do What Is Right. I want a reputation for being fair and trustworthy. It's important to me to develop a sense of confidence and believability from my golfers. If they trust me, they will always be my customers. 2. We Always Try Our Best. I want an image of being “Committed to Excellence” in every aspect of my operation. I am very selective when buying for the shop. I use various apparel markets and resources. Current fashion trends, innovative design, equipment, and pricing are high priorities. 3. We Treat Our Customers The Way We Would Like To Be Treated. There is no substitute for great service in any business. I want my players to know that every time they enter my shop or the Bliss Creek Golf Club they can expect friendly, sincere VIP treatment. We go out of our way to make you feel special.

We will be carrying several apparel lines for you to choose from. In the equipment department, we will be more than happy to fit you for any purchases you make at Bliss Creek. We will special order equipment from Callaway, Taylor Made, Titleist, Cleveland, Ping and Tour Edge. If you have been putting off getting a new driver, this year's technology advances are too good to pass up. Callaway, Titleist, Taylor Made, have new geometrically advanced drivers with Face technology. Please do not hesitate to speak with us on any of your equipment needs. You can't pass up our special-order pricing program. We meet or beat all big box store pricing.
